

Grocery Delivery System

User Guide for Customers

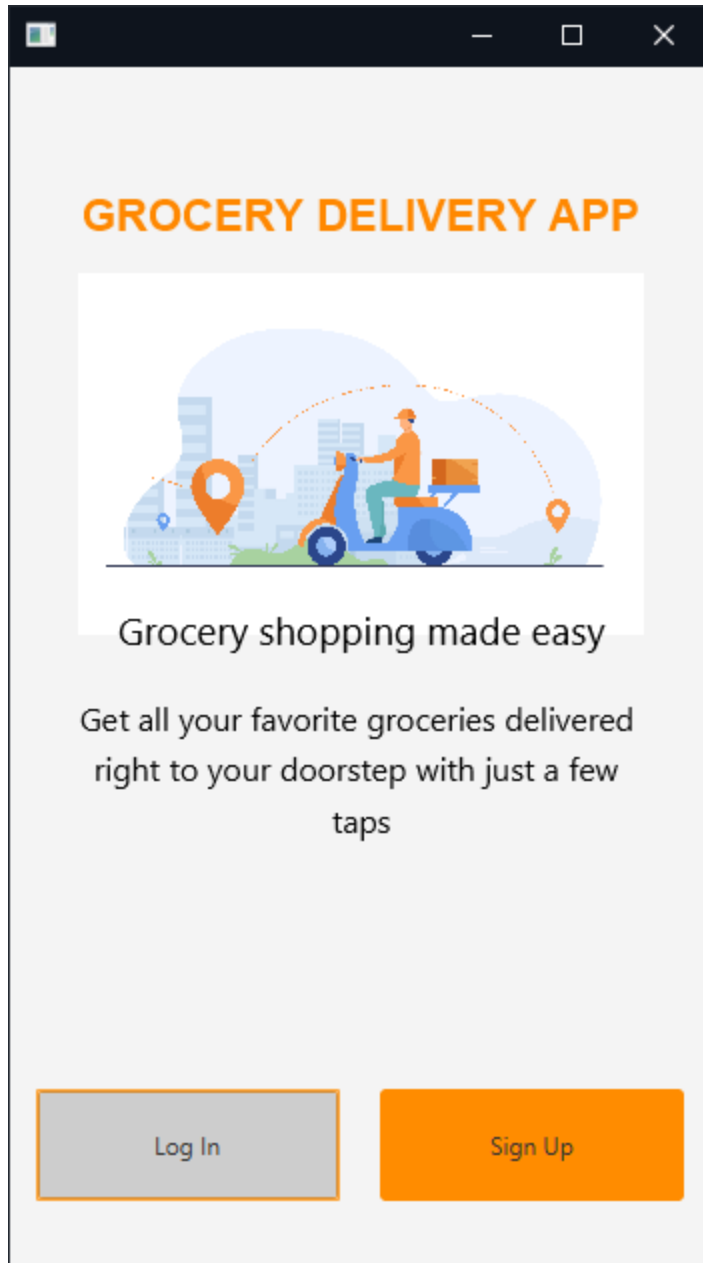

Mobile version

Introduction:

Thank you for using our Grocery Delivery Systems. With this you will be able to reliably get delicious foodstuffs right to your door at little to no extra cost. This user's guide is specifically for the mobile version of our system. Getting groceries delivered to you is as easy as signing in or registering an account and adding products to a cart for them to be delivered right at your door.

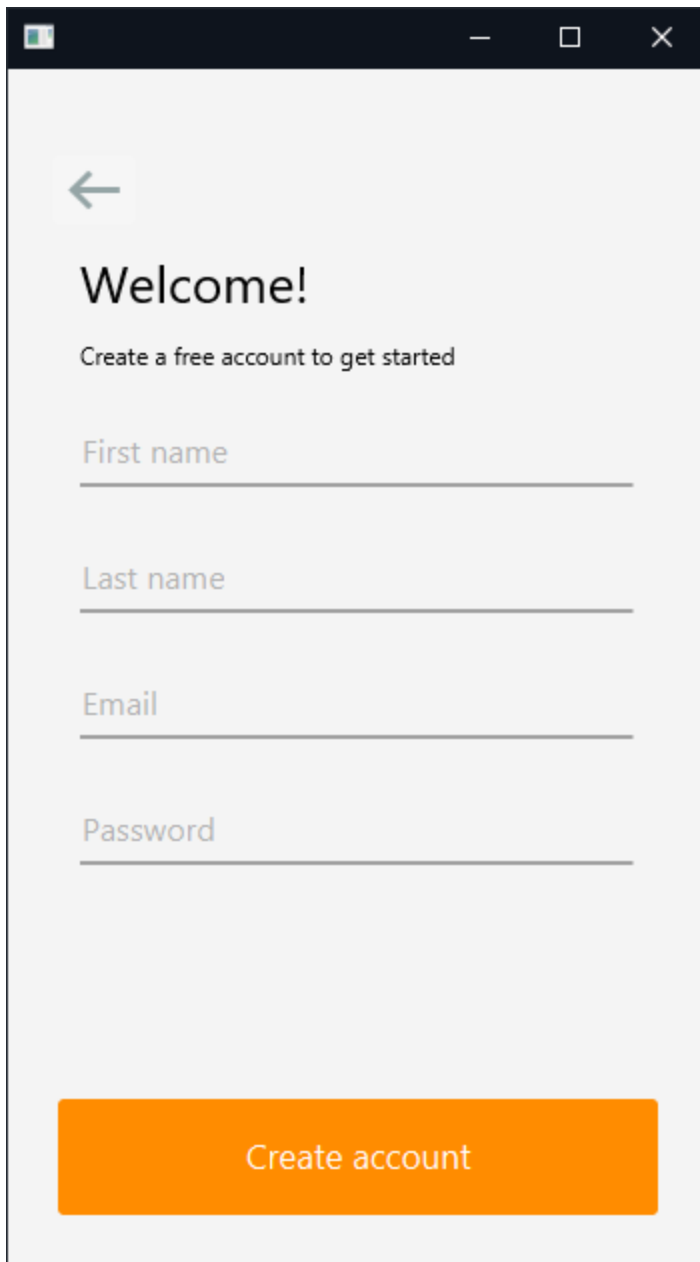

Step 1:

After opening up the app you will see this screen.

From here you will have the option to sign up a new account. Or log in into an already existing account if you have one. If you have an existing account skip to step 3

Step 2: Register an account

A screenshot of a web browser window displaying a registration form. The window has a dark title bar with standard OS controls (minimize, maximize, close). The form has a light gray background and a dark gray header bar containing a back arrow icon. The main content area is white and contains the text 'Welcome!' followed by the instruction 'Create a free account to get started'. Below this are four input fields labeled 'First name', 'Last name', 'Email', and 'Password'. At the bottom is a large orange button labeled 'Create account'.

Enter your information in each of fields

The image shows a mobile application window with a dark header bar containing a back arrow icon, a minus sign, a square icon, and a close 'X' icon. The main content area is light gray and features a 'Welcome!' heading followed by the text 'Create a free account to get started'. Below this are four input fields: the first contains 'John', the second contains 'Smith', the third contains 'example@email.com', and the fourth is a password field with ten dots and a cursor. At the bottom is a large orange button with the text 'Create account'.

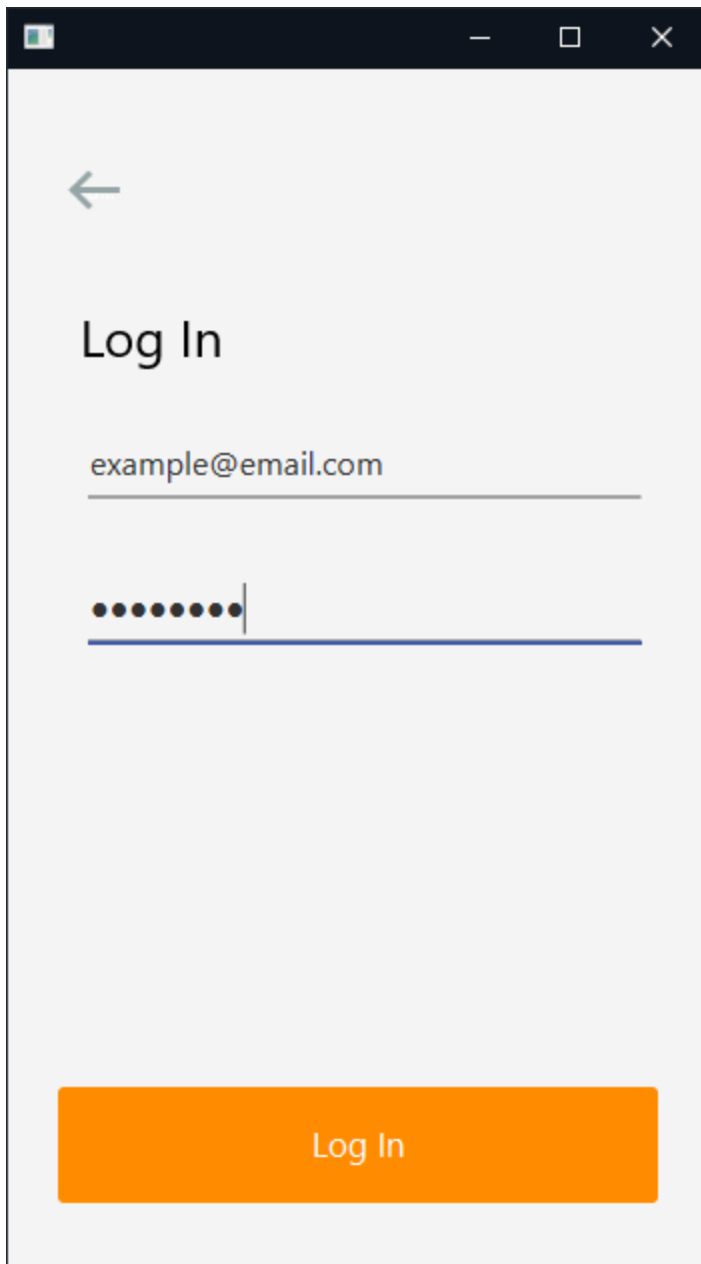

Click on Create account to finish registering. If successful you will be directed to the home screen. Skip to step 4

Step 3: Login into an existing account

A mobile application login screen. At the top, there is a dark navigation bar with a small icon on the left and standard Android window controls (back, close, and a square icon) on the right. Below the navigation bar, a light gray background contains a back arrow icon in the top left corner. The title 'Log In' is centered in a large, bold, black font. Below the title are two input fields: 'Email' and 'Password', each with a horizontal line underneath. At the bottom of the screen is a large, solid orange button with the text 'Log In' in white.

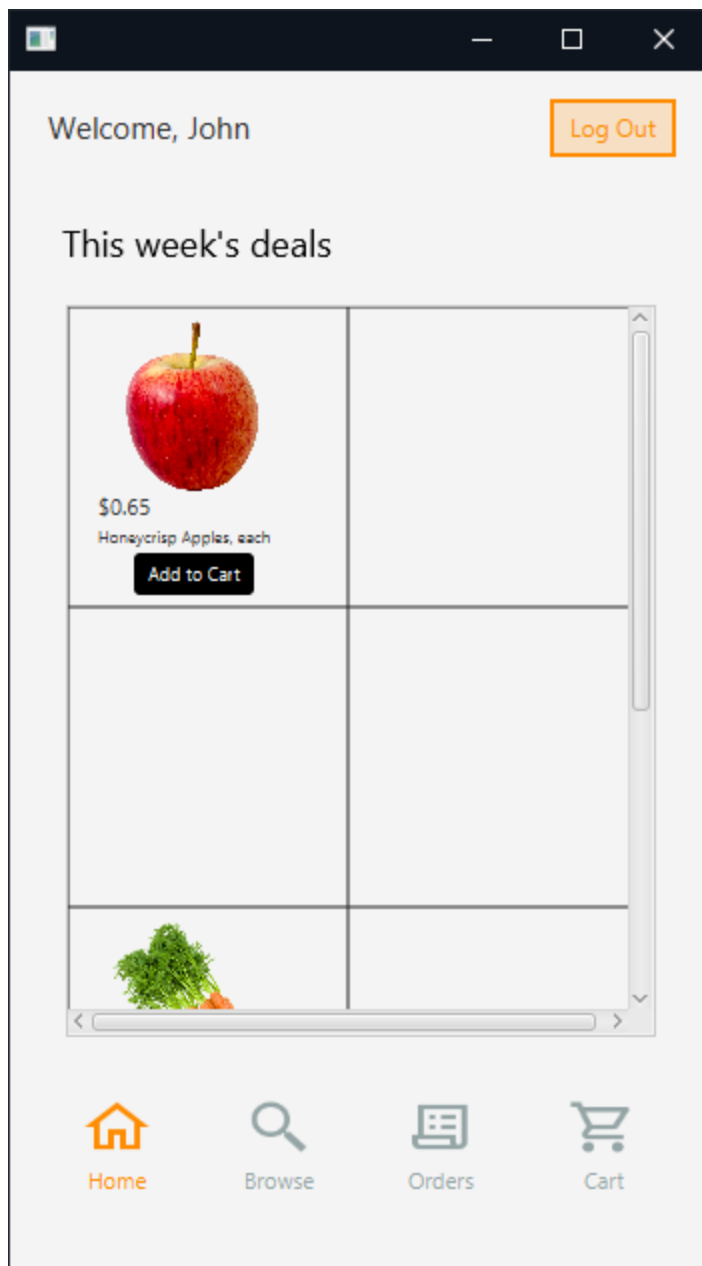

Enter account information into the fields

A mobile application login screen. At the top left is a back arrow icon. Below it is the title "Log In". There are two input fields: the first contains the text "example@email.com" and the second contains ten black dots representing a password. At the bottom is a large orange button with the text "Log In". The screen has a light gray background and a dark gray top bar with standard mobile OS window controls.

Click on Log In

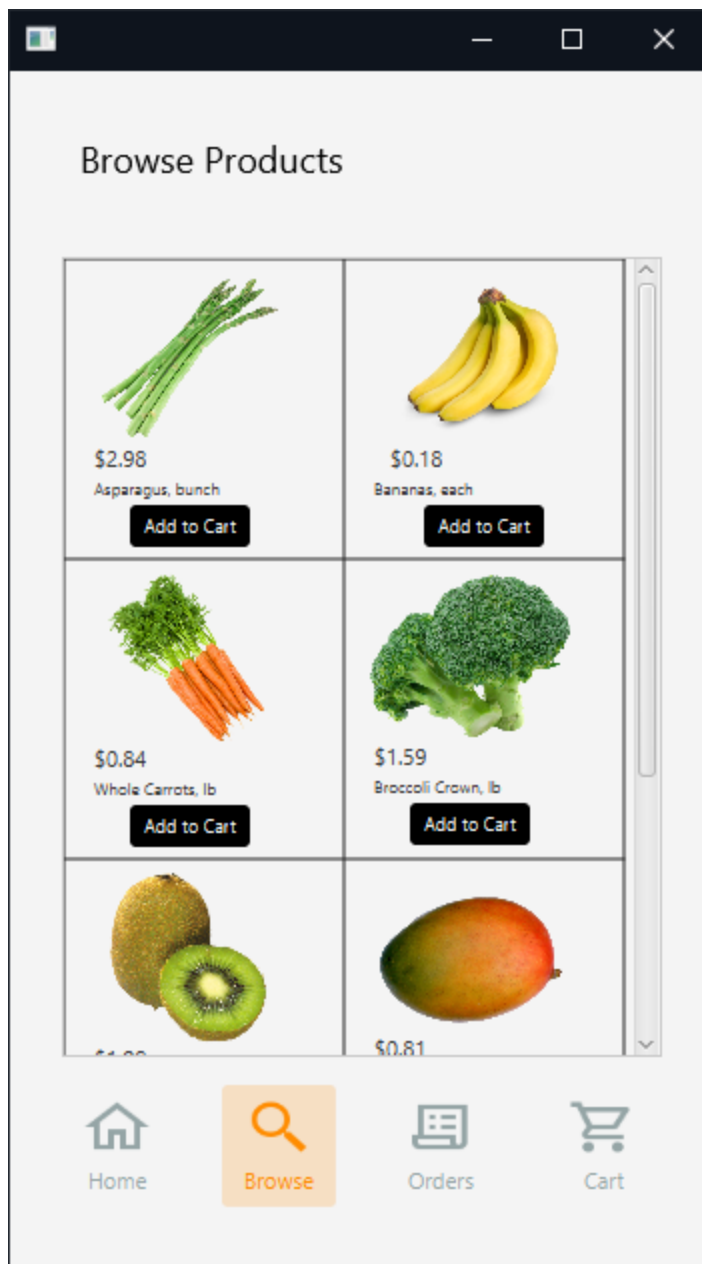

Step 4: Navigating the Home page

The first screen to appear is the home menu. Here you will be greeted and shown the deals of the week. Be sure to keep a lookout for big savings on your favorite products. If there is the need to return to the home page click on the icon below.

Step 5: Navigating the Browse page

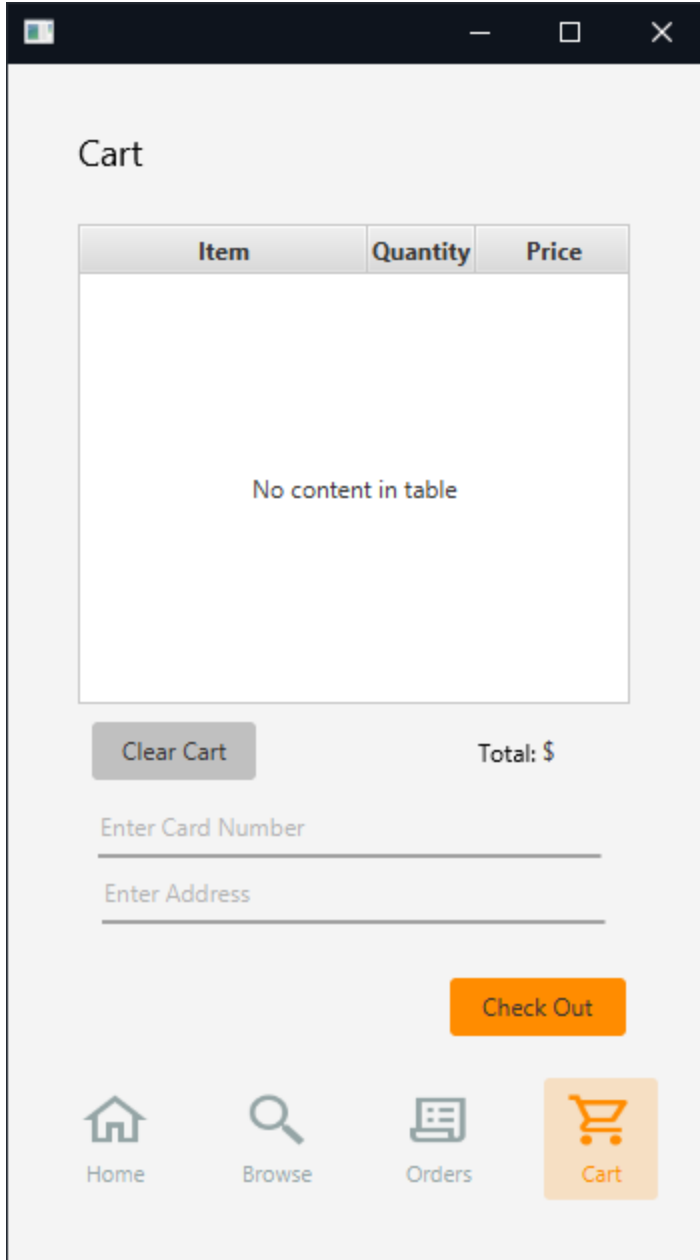

The browse page will show the various products available for you to order. If you decide you would like to purchase a product just click on the add to cart button listed below each product and it will add them to your cart.

To return to the browse page click on this icon below.

Step 6: Navigating the Cart

Once you finish selecting everything in your order, enter your payment information and address for delivery. Once completed you can click Check Out to finalize to place your order. To return to this page click on the icon below.

Step 7: Navigating the Orders page

The Orders page will show ongoing and previous orders on your account.

If you really liked any products you ordered before you can easily find the name of those products again here. To return to the Orders page click on the icon below. By clicking on the arrows at the top you can scroll and view different orders you placed

Step 8: Log out

When you are ready to log out of the application return to the home page by clicking on the Log out button on the top right. You will be returned to the initial screen and you can now exit out of the application.
